This Colorado Gives Day

is more than just a day of giving – it's a celebration of community, connection, and compassion right here in Colorado.

As a local organization, this day reminds us that we are part of something bigger: our neighbors, and the people we serve. Every gift you make this month directly supports the people and causes that make Colorado special. When you give, you're investing in your own community – feeding, supporting, and uplifting your neighbors. Together, we're building a stronger, more vibrant Colorado for all.

Did you know? When you donate to Adoption Options, you receive a 50% tax credit from the state. That means smart giving with a greater impact!
